Introducing the

HALCYON™ HOOD

Meticulously crafted by Italian artisans to provide superior comfort & thermal protection for all your diving adventures. Available in 3, 5, or 8 mm thickness, this neoprene hood guarantees satisfaction through its unparalleled quality & design, upholding our commitment to the highest production standards.

Product Maintenance & Care : To ensure optimal performance and longevity of your Halcyon Hood, please follow these care instructions and conditions to keep the warranty :

Correct Sizing : Select the appropriate size to avoid over-compression of the neoprene in tight areas.

Design Protection : Avoid turning the hood inside out to preserve the branding.

Proper Storage : Store the hood unfolded, with an inner insert (cotton or clean paper) in a dry, cool place.

Heat and Sunlight : Keep the hood away from direct heat or sunlight and never dry it on any heater.

Cleaning : Rinse with fresh water after each dive and clean with products specifically designed for neoprene. Failure to adhere to these guidelines may result in damage or accelerated wear of the materials.

Warranty : This product comes with a 12-month conditional warranty from the date of purchase. Enjoy the ultimate in diving comfort and protection with the Halcyon Hood!
